#### MANAGERS NOTES

### MARC WHITE

"We remain positive and always look to make an impact and build momentum, whoever we play."

Good afternoon and a very warm welcome to Meadowhank!

I write my notes this week, after our 2 - 2 draw against Chelmsford City, who equalised with the last kick of the match. Since I last wrote my notes, we have also played Hungerford Town at home on 30 August. With 5 matches played we are in 13th place having won 1, drawn 2 and lost 2.

I would also like to extend a warm welcome to the management, players and officials of Billericay Town FC, who have made the trip down from Essex for today's National League South fixture. We wish you all the best for your visit to Meadowbank.

Two draws and a loss in our last three games has come at a challenging time for the club. All teams have injury woes, however, we have endured a start to a season that has tested us all. We are fortunate to have a good squad and the boys who have come in have played well and we have seen 2 matches with only one goal in it.

There were many good passages of play in all three matches and we always learn and take that into our training and build-up to our next match. What I am particularly pleased with is the determination we all have to keep on improving. We remain positive and always look to make an impact and build momentum, whoever we play.

Last Saturday, it was good to see Jason Prior back after injury as he netted his 60th goal for the club which also coincided with his 100th appearance. Josh Taylor returned from suspension and there was a debut for new loan signing (from Crawley Town) James Tilley.

Unfortunately, Alfie Rutherford came off after just 30 minutes and he is added to our injury list.

Our return to Meadowbank to face a Billericay side who sit in 20th place will provide us with another stiff test this afternoon. Kevin Watson has been at the helm since January of this year and brings with him not only a good pedigree as a player (having played over 400 matches), he also has a good track record at managerial level.

You have to go back to the 18th January 2020 for the last time our two sides met! That season, we drew both matches, 2 - 2 away and 4 - 4 at home. Let's look forward to a result this afternoon.

Finally I would like to wish Lee Worgan well. He has been great for the short time he has been with us. Lee is moving on for personal reasons and to play football nearer to home. Enjoy the game!

#### CAPTAIN'S COLUMN

### BARRYFULLER

"We now have a few lads back from injury or suspension which is a big plus for our squad."

Afternoon everyone and welcome back to Meadowbank for this afternoon's match against Billericay.

We wish all Billericay players, staff and supporters a safe journey this afternoon.

We have had a couple of games since my last notes. With a double header over the Bank Holiday weekend and then last Saturday's away game at Chelmsford. Over the three matches us players are disappointed with the results. There are lots of positives to take from the games, but we know we need to be better and more ruthless in both boxes.

We now have a few lads back from injury or suspension which is a big plus for our squad and the gaffer's team selection. With the quality in our squad and the confidence we have, we know the right results will start coming, hoping to start with 3 points today.

As always, thank you so much to all our fantastic home and away supporters. Keep getting behind the team and hopefully we will all be celebrating at 5pm with 3 points. Then our focus can turn to next weekend's FA Cup tie against Burgess Hill at Leylands Park.

#### TILLEY JOINS THE WANDERERS ON A ONE-MONTH LOAN

Dorking Wanderers have secured the services of James Tilley from League Two side Crawley Town on a one month loan deal.

The 23 year old attacking midfielder progressed through the ranks at Brighton 6 Hove Albion before being transferred to Grimsby Town in 2019.

Tilley made 24 appearances for "The Mariners" and scored 2 goals, before returning south to Crawley Town in January 2021. Whilst at Brighton 6 Hove Albion he also had loan spells at Cork City and Yeovil Town, where he made 19 appearances.

Manager Marc White said: "James is an exceptional talent who I have no doubt whatsoever will advance swiftly up the football ladder. He is really popular with the Crawley fans and had a great impact following his arrival. A recent injury has left him short of valuable game time, and John (Yems) was keen to get him a run of games in order for him to return to full fitness".

White continued: "We look forward to welcoming James and his family to Meadowbank for the month ahead, where they will be well looked after, and we appreciate everybody's help at Crawley in getting this agreement in place".

### THE COMMUNITY COMES TOGETHER IN MEMORY AND TRIBUTE TO MARTIN BEARD

Martin Beard was only 43 when he suddenly passed away on 17 January 2020 after falling seriously ill while at Fullbrook School, where he was Headteacher.

He was the Chief Scout here at Dorking Wanderers, having been involved with the club for over 10 years. Martin played for us, coached and managed the first team and built our very successful scouting department. He also captained the Vets team. Aged just 43, Martin's loss was not just felt within our football family here at the club. He left behind a wife and four children. Our thoughts and prayers will always be with them. It is testament to how well Martin was respected, not only in the wider football community, that over 300 people attended his memorial service on 30 January 2020. His impact touched so many people. Martin's enthusiasm and kindness have been mentioned by so many

who knew him. He was a true gentleman who served his community, both in his teaching career and in his voluntary work at church. We were going to honour Martin in September 2020, however, the global pandemic robbed his family of celebrating his life and us in paying tribute to such a great man. We are, therefore, very honoured and delighted to be able to announce that an afternoon of celebration and tribute in memory of Martin will take place on Sunday 26 September 2021 at Meadowbank, the proceeds of which will go to Martin's family. A match between Martin's football friends and family will be followed by a Pro-Celebrity Football Match hosted and organised by Harvey (ex friend of Martin, former footballer, So Solid Crew member) which will kick off at 3pm. We really look forward to seeing you there!

MONDAY 30TH AUGUST 2021 | MEADOWBANK | 15:00 | ATTENDANCE: 835

B. TAYLOR 45+' [P]

WILLMOTH 55' KYEI 66'

A steady opening to the game as both sides registered their first efforts at goal approaching the ten minute marker. Hungerford skipper James Rusby combined well with Ryan Seager, Barry Fuller doing well to ultimately tread the ball away from target. On the counter, the Wanderers captain turned provider, finding Rutherford who from a tight angle forced Luke Cairney into diverting the ball away. Nana Kyei tested Lee Worgan at his near post with a low save, but for much of the remainder of the half Wanderers established good passing patterns to get on top in the contest, but coming against strong resistance from 'The Crusaders' in the final third.

Cairny showed good hands numerous times to prevent dangerous crosses landing, and Bobby-Joe Taylor was unfortunate his gallop right through central midfield couldn't be converted by Rutherford after the forward turned well to buy space initially. Wanderers general good play got reward right as three minutes of added time went up, Callum Kealy was brought down to the left of the six yard box, penalty awarded. After much protest from the visitors, Bobby-Joe Taylor put the ball on the spot and just like on Saturday, calmly tucked the ball home. The opening moments of the restart set the tone for much of the remainder of the contest as Louis McGrory and Niall McManus both went into the referee's notebook for fouling each other just minutes apart. As both sides looked to settle, ten minutes into the second half Hungerford got back on terms. Callum Willmoth taking hold of the ball outside the box after good hold up play from Seager, and driving a pacey low shot in off the post.

Wanderers looked to get back ahead immediately; Kealy receiving a throw and turning well in the area, forcing Cairney into a stop at his near post, before Bobby-Joe Taylor had a header saved comfortably. Against the surge though, Town managed to get upfield quickly and get ahead themselves. Nana Kyei with a composed finish lifting the ball over Worgan from the right side of the area. Seager went close again after further good hold up play, and forced Worgan into a save down to his left.

Entering the final twenty five minutes the game fell into further periods of disruption with the cautions stacking up, substitutes deployed and general break up's in play as players remained down after challenges. Wanderers took general command of play but were just not able to level the score for all their efforts, Hungerford well organised in their shape and the rear guard continuing to remain hard to break down.

S. JACKSON 12' C. SHERINGHAM 90+

B. TAYLOR 45+' (P)

Marc White was able to welcome Josh Taylor and Jason Prior back to his starting eleven after the pair came through suspension and injury respectively. Matt Briggs and Jimmy Muitt were ruled out through injury, and James McShane was also not included in the matchday squad as he continued recovery from illness. New loan signing James Tilley was named on the bench.

The first half was contested at a steady tempo for the most part, Chelmsford closing down tirelessly in midfield to pressure Wanderers when in possession, but also proving to be effective when switching play. That quickness of getting the ball forward had led to a couple of half-chances for the hosts early on, but on 12 minutes they got reward, a short corner from the left then crossed in by Tommy Wraight, experienced front-man Simeon Jackson able to glance the header across goal and find the back of the net from close range. The pattern of the game continued, Wanderers best threat coming through Nicky Wheeler down the attacking left, but activity in the final third at both end's was at a premium.

Unfortunately Wanderers bad luck with injuries this campaign reared its head once again, Alfie Rutherford pulling up with what appeared to be a hamstring injury just past the half hour, James Tilley coming on for his debut. He would play out on the right as Niall McManus came into central midfield, Josh Taylor playing in behind Prior up top.

Bobby-Joe Tayor made a couple of key interceptions to deny 'The Clarets' crossing from wide, but in the lead up to half time Wanderers began to ask more questions, Tilley immediately forcing Marsden to tip a fierce strike over the bar just after entering the field of play, Wheeler cutting in from the left and having his strike at goal ushered away on the corner of the six yard box, before Bobby-Joe Taylor's free kick was nodded on by Prior to find Josh Taylor unmarked in the six yard box, but he headed over the bar.

In similar fashion to Monday's game with Hungerford, Wanderers pressure paid off, and they were awarded a penalty right before the half-time whistle. Bobby-Joe Taylor's corner was en route to finding Barry Fuller before a handball intervention from Louis Dunne, spot kick awarded. And for the third consecutive game, Bobby-Joe stepped up and confidently drove the ball home.

Half-Time: Chelmsford I Dorking I

Callum Kealy was introduced at half time in place of Dan Gallagher, Luke Moore dropped into a deeper lying position as McManus went back out wide, Josh Taylor reverted back to central midfield.

Shortly after the restart, Wanderers got themselves in front. Niall McManus played in Barry Fuller on the overlap down the right and the captain produced a pinpoint cross for Prior to head home from close range. A milestone goal for the Wanderers No9, his 60th for the club on the day of his 100th appearance. A significant day for the goal provider and our skipper as well as it turned out - 600 league appearances, here's to many more.

After getting ahead Wanderers took further command of the game, moving the ball more confidently through midfield and were unlucky not to extend the lead as Tilley and Josh Taor both had efforts blocked in quick succession.

The Clarets' went mighty close up the other end straight after, Nicky Wheeler on guard to hook a dangerous delivery off the goal line.

Tilley had another shot blocked after a measured through ball from Moore, Wheeler and Taylor were then unlucky not to find Prior with deliveries from wide.

With minutes left on the clock the hosts started to rally as Wanderers sat back into their shape, Tom Blackwell persevered well down the left and was unlucky his ball across goal couldn't find a taker, but with what would be the final kick of the game, he did manage to find Charlie Sheringham arriving at the back post, the striker getting sufficient contact to quide the ball into the back of the net and break Wanderers hearts.

#### MANAGER KEVIN WATSON FOUNDED 1880 GROUND NEW LODGE CAPACITY 5,000 NICKNAME RICAY, THE BLUES COUNTY KENT

Little is known about the formative years of the club, but Billericay Football Club was formed in 1880. The 1977 F.A. Vase Final programme suggested the club celebrated it's centenary in 1976. From the 1900's Billericay F.C. was playing it's matches on Archers Field, Laindon Road. The Memorial Hall was built there in the 1930's. The earliest known honour the club lifted was the 1912-13 Mid-Essex League, Division Two title. Billericay F.C. weren't the only club to represent the town. Billericay Albion F.C. played on a pitch at Newlands Road and Billericay Thursdays F.C. sometimes played near the current site of New Lodge as well as sharing Archers

Field with Billericay F.C either side of the war. During the early years the club competed in the Romford & District League and the Mid-Essex League. By the 1930's Billericay were competing in the Chelmsford & District League, winning Division Three in 1933. The Mid-Essex League, Division Two was also won on another two occasions, along with the Mid-Essex League, Division Two League Cup, also twice. After the Second World War the clubs name was extended to Billericay Town, a choice that was not popular with a lot of fans at the time. They were members the South Essex Combination League until they

became founder members of the Essex Olympian League for the 1966-67. Burnham Ramblers were crowned Champions with Town finishing seventh, below Bowers United and Essex Police. John Newman joined as manager for the 1969-70 season which finally saw Billericay Town topped the Essex Olympian League table, winning the title on goal difference over Chadwell Heath. The following season they retained their title, only losing one match, this triumph was added to with the club lifting the Essex Olympian League Senior Division Cup and Challenge Cup. In 1971 Billericay Town was one of nine founder members of the Essex Senior League.

### 1880

Billericay Town Football Club is a football club based in Billericay, Essex, England and play at New Lodge. They are the second most successful club in FA Vase history, having won the competition on three occasions. The club was established as Billericay Football Club in 1880.

# BOBBY-JOE TAYLOR THE BIG READ

Bobby-Joe talks about how his move to The Wanderers came about and the FA Cup fixture next weekend.

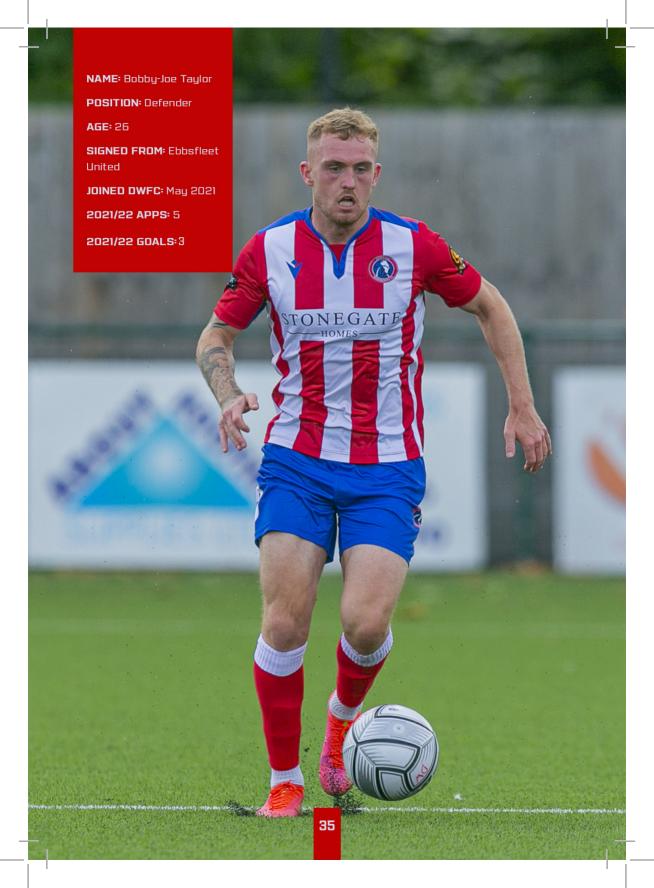

Exciting left back/wing back Bobby joined us in June 2021 and brings a wealth of experience with him. He made his full football league debut for Cambridge United on 30 August 2014. Bobby-Joe has also represented England C twice and played for Bromley FC and Dover Athletic

#### What is your pre-match routine?

Nothing in particular if I'm being honest not really massive in overthinking the situation, just a good nights rest and game mode on.

With most of the clubs in the league adding to their squads this season, do you think the league will be more competitive?

Without question, I think every year the league gets tougher, more experience you get at the level more experienced players drop down etc. That's good for the league and for the excitement and competition of the league also.

#### How did you find pre-season?

Pre season was very good, I did think I would find myself struggling a bit from full time to part time but the groups high standards and the intensity we train at made the transition a lot easier.

### We come up against Billericay Town this afternoon, what sort of game are you expecting?

Tough game, if you think any game in this division will be easy then you are wrong, all opponents will be tough and each team brings something different, they're searching for there first 3 points and we are aiming to get a run going.

#### How did your move to the Wanderers come about?

My move to the Wanderers was influenced by Barry Fuller we live in the same town and know each others families. He just got in touch with me to see if it was something I'd.

be interested in and speaking to the gaffer made my decision very easy.

### After a slow start to the season, do you feel the squad is more determined to get 3 points on the board today?

We are always determined to do better and if you aren't, even when it's going well, you're in the wrong sport, we have a strong group of players in this team and we will always be truing to do more win lose or draw.

#### We imagine you're looking forward to seeing fans back inside Meadowbank on a regular basis. What difference does it make to the feel of a game when you have the crowd behind you?

12th man as they say and they are not wrong. Makes a massive difference when the fans get behind us as a team and you don't know the importance of it. We are forever grateful and so happy the fans are back on a regular basis, I most certainly missed playing in front of fans it makes it that little bit extra special.

#### What are your personal and team targets for this season?

For me personally, it is just to play and win as many games as possible and to stay fit for the season. For the team, we will have our goals humbly between us in the dressing room and take each game as it comes and hopefully pick up 3 points today.

#### How do you feel you have settled into the squad so far?

I knew one or two of the boys before I came which always makes it a little easier, but I must admit this group of players are a fantastic bunch. They're all so friendly and welcoming and that shows why they've had the success that they have had, so it made it very easy for me when I joined, but I would also say I'm quite a people's person.

### FA Cup starts again next week; do you feel it's important to have good success in the competition this season?

Who doesn't love an FA cup run and the magic of it? Hopefully we can have a little run in it for the boys, the club and the fans. Enjoy today all and get behind us as I know you will.

## **LADIES UPDATE**

#### by Kat Browne

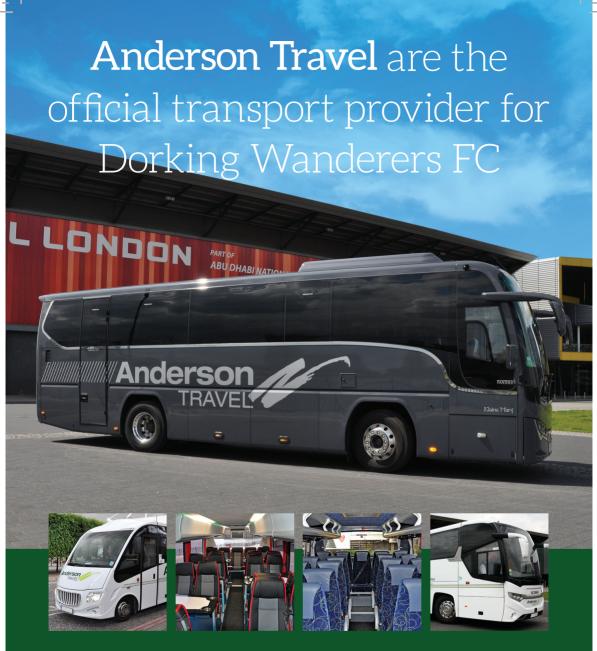

he start of our 2021/22 season came with a bang, well 10 of them to be precise! Our first game saw us host Clapham United Women at Meadowbank, on a hot summers day. The girls would go on to secure the biggest win in our history with a 10-0 triumph over the opposition. The goals came from Charli, Lily C, Crooks, Tanya (2), Charlotte K (2), HT. Bianca, and Bex.

A week prior to our first league fixture we welcomed Calum Best as our new Ladies Chairman, and since his appointment spirits continue to ride high both on and off the field. With a number of negotiations taking place behind the scenes this is certainly an exciting time to be a part of Dorking Wanderers and the Ladies team in particular.

August Bank Holiday weekend brought us another 3 points against Sport London Benfica Women with a narrow 1 - 0 win.

We have two hames games coming up this week. Tomorrow, we face Watford Development at Meadowbank Stadium which is a 14:00 kick-off in our fourth League match of the season. Followed by a clash with Dulwich Hamlet Reserves on Sunday 19th September and that is a 15:30 kick-off. Come down and show your support!

To keep up to date on all our latest fixtures, news and exciting plans, head over to our website or social media channels!
